ANOTHER SECRET ORDER IN BOSTON .-The order of "United Sons of America' is now organizing in every ward of the city. This order, we believe, is regular ly chartered by proper authorities, simi lar to the Masonic institution. It date back to 1828, having been consolidate with the "Sons of Liberty," in Cincin nati, Ohio. Its object is reported to b both patriotic and benevolent. In politics this "order" is said to be in favor of the principles advocated by the Nationa Native American party, which assemble in old Independence Hall, at Philadelphia, in 1845, and join their brothers in the South in keeping out all other isms from their ranks in a national point of view. One camp of the "order" ha been instituted in Boston some six years We hear that they have now camps in the first, second and third wards, and members enough to hold the balance c power on a plurality election. It restores to full vigor every delicate func-tion connected with that mysterious compound agency of matter and mind, necessary to the repreduction of human life. To persons of feeble museular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment | ness of vision, with motes or specks before the eyes; of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not con fined to either sex or to any age. The feeble girl, the ailing wife, the listless, ernevated youth, the overworn man of business, the victim of nervous de pression, the individual suffering from general de-bility, or from the weaknes of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis it will prove a complete and unfailing safeguard against that terri ble malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elizir deals with disease as it exists, without reference to causes, and will not only remove the disorder ites!!. but

REBUILD THE BROKEN CONSTITUTION. The derangements of the system, leading to ner vous aiseases, and the forms of nervous disease itself, are so numerous that it would require a column to enumerate the maladies for which this prepararation is a specific. A few, however, may be enume rated, viz: neuralgia, tic dolereaux, heatache, incipient paralysis, hysteria, palpitation of the heart, spina' affections, muscular debility, tremers, flatulence, a pricking sensation in the flesh, numbness, terpidity of th liver, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep an | terrifying dreams, inability to remain in one place a position, weakness of the procreative organs, sexual incompetency, melanoholy, monomania, fluor albus, nking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulaence of the passions, and all barrenness that does not proceed from organic causes beyond the reach of medicine.

The estimate that is now accorded this preparation by the medical profession and by others competent to judge of its merits, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has been successfully used in a career of an aggravated

VINCENNES, INDIANA, Oct. 3, 1854. J. L. Kidwell—Dear Sir: Some three months ago, through the sgency of Col Smith Miller, our representation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Rottles of Beech Drop or Cancer Preparation. I have a letter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the di ease is arrested. I may add that my father has tried every physician of dis-tinction in Scotland and England, including Prof-s sors of Edinburg and Collleges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, which has entirely

CALLAWAY COUNTY, MISSOURI, July 13th, 1854. Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties—in fact I had obtained the best medical aid in our state, without any abate ment of the disease. Through a f iend I procured a half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me.
My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form to use it. Enclosed you will find an order from some friends
